

Perfect Hard-Cooked Eggs

1 dozen eggs

Cold Water

1. Put one layer of eggs in pot & cover to 1" above eggs with cold water. Quickly bring just to boiling. Immediately remove from heat and cover with lid.

2. Let sit 15 min. for large, 18 min. for extra large and 12 min. for medium. Immediately remove from hot water and place in ice water. Let cool. Store in refrigerator until serving time.
