Darkness to Light

Ephesians 5: 6-12

MESSIANIC SYNAGOGUE

Eph. 5.6-12 Let no one deceive you with empty words, for because of such things God's judgment comes on the children of disobedience. Therefore do not be partners with them. For once you were darkness, but now in union with the Lord you are light.

Eph. 5.6-12 Walk as children of light
(for the fruit of light is in all
goodness and righteousness and
truth), trying to learn what is
pleasing to the Lord. Take no part
in the fruitless deeds of darkness,

Eph. 5.6-12 but rather expose them—
for it is disgraceful even to
mention the things that are done
by them in secret.

**Or as the prophet Yeshayahu /
Isaiah described it:**

Yeshayahu / Is 60.1-3 Arise, shine, for your light has come! The glory of ADONI has risen on you. For behold, darkness covers the earth, and deep darkness the peoples. But ADONI will arise upon you, and His glory will appear over you. Nations will come to your light, kings to the brilliance of your rising.

What darkness? What remedy?

1. Darkness within us
2. Darkness in our culture,
increasingly.
3. Darkness in Islamic thinking.

What darkness? What remedy?

1. Darkness within us

2. Darkness in our culture,
increasingly.

3. Darkness in Islamic thinking.

Yermiyahu / Jer 17.9 “The heart is
deceitful above all things, and
incurable—who can know it? I
ADONI search the heart, I try the
mind, to give every man according
to his ways, according to the fruit
of his deeds.

Beresheet/Gen 6.5 Then ADONI saw that the wickedness of humankind was great on the earth, and that every inclination of the thoughts of their heart was only evil all the time.

1 Cor. 4.4 I am not aware of anything against me, but this does not make me innocent. The one who is evaluating me is the Lord.

**T'hillim/Ps 26.2 Probe me, ADONI, and
test me, refine my mind and my
heart.**

**T'hillim/Ps 139.23-24 Examine me, God,
and know my heart; test me, and
know my thoughts. See if there is
in me any hurtful way, and lead me
along the eternal way.**

Ephesians 4.17-19 So I tell you this,
indeed I insist on it in the Lord—
walk no longer as the pagans do,
stumbling around in the **futility** of
their thinking. They are **darkened**
in their understanding, alienated
from the life of God

Ephesians 4.17-19 because of the ignorance in them due to the hardness of their heart. Since they are past feeling, they have turned themselves over to indecentcy for the practice of every kind of immorality, with greed for more.

Remedy to the darkness within?

- The love and light of Messiah
- The death and resurrection of Messiah

Mtt.11.28-30 “Come to me, all of you who are struggling and burdened, and I will give you rest. Take my yoke upon you and learn from me, because I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.”

Gal 2.19-20 For it was through letting the Torah speak for itself that I died to its traditional legalistic misinterpretation, so that I might live in direct relationship with God.

When the Messiah was executed on the stake as a criminal, I was too;

Gal 2.19-20 so that my proud ego no longer lives. But the Messiah lives in me, and the life I now live in my body I live by the faith in the Son of God had, who loved me and gave himself up for me

2 Tim 3.1-5 Moreover, understand this:
in the **אַחֲרִית הַיָּמִים** *akharit-hayamim*
[end of days] will come trying
times. People will be self-loving,
money-loving, proud, arrogant,
insulting, disobedient to parents,

2 Tim 3.1-5 ungrateful, unholy,
heartless, unappeasable,
slandorous, uncontrolled, brutal,
hateful of good, traitorous,
headstrong, swollen with conceit,
loving pleasure rather than God,
as they retain the outer form of
religion but deny its power.

Remedy to the increasing darkness of our culture?

- Yeshua is the light of world.
- Mtt 5.14-16 “You are light for the world. A town built on a hill cannot be hidden. Likewise, when people light a lamp,

Mtt 5.14-16 they don't cover it with a bowl but put it on a lampstand, so that it shines for everyone in the house. In the same way, let your light shine before people, so that they may see the good things you do and praise your Father in heaven.

1 Tim 2.1-3 Therefore, first of all I urge that requests, prayers, intercessions, and thanksgiving be made on behalf of all people — for kings and all who are in authority — so we may live a peaceful and quiet life in all godliness and respectfulness.

1 Tim 2.1-3 This is good and pleasing
in the sight of God our Savior. He
desires all men to be saved and
come into the knowledge of the
truth.

PROPHETIC

**JONATHAN CAHN'S
PROPHETIC
WORD TO
DONALD TRUMP**

Shalom from Jonathan Cahn,
This is to thank you for your prayers
for the gathering with President
Trump at the Inaugural National Faith
Summit. There were a lot of chances
for the word not to be given
(warfare), but at the end, the
message I was led to give to Donald
Trump came through.

Afterward, I was called up with other faith leaders to pray over Trump. I then met him on stage, we shook hands, and took a picture together. Also, some connections were made that could be very important in the future, especially if the Republicans win on Tuesday.

Of course we need to pray for the election, the future of America, God's will, encourage our people to vote.

Someone in the gathering recorded the message with the cell phone and posted it online – we reposted it here, if you'd like to see/ share it

<https://www.youtube.com/watch?v=6E7P8h2DVus>

Again, thank you so much for your prayers and encouragement. I believe it made the difference.

Blessings!

Jonathan Cahn

He posted that he was an English speaker wanting to dialogue in Arabic. Whenever he'd mention that he's Jewish or Israeli, get reaction, "There is no such thing as Israel, just conquered Palestine. It never existed."

"What about thousands years history, Kingdom David, Solomon."

Hearers would laugh. “They were Muslim.” I.e., girl near Haifa, said Al Aksa mosque built by multiple prophets, starting with Adam. Avraham, K. Solomon built Al Aksa.”

“What about Jewish Temple?”

“Never was a Jewish Temple. Al Aksa mosque built by Abraham who was a Muslim. Yaakov / Jacob on deathbed called his 12 sons to charge them to continue as Muslims. Bnei Yisrael = sons of Israel.”

Islam = submission = way of life.

Moshe and all 12 tribes believed in One G-d and prophets sent. G-d took them out of Egypt, gave them Torah at Sinai. All Muslim.

Then some of Bnei Yisrael started sinning in idol worship, golden calf. In rebellion, became Jews.

Yeshua also considered a Muslim Prophet.

Muhammed raised up to restore true faith that Jews had left. Told a girl from Morocco, “Yeshua was a Jew.” She started laughing. “He was a Muslim.”

Revelations to Moses and Yeshua were perverted by Muslims who became “Jews” so final revelation to Muhammed, the Koran, to bring back truth to world. Jews didn't accept him.

It's their foundational education.
All Muslim people have this view,
even if apparently secular. No
Enlightenment ~ West. World
view even by seculars.

One moved to Germany, yet when told Israel given to Jews by G-d, reacted. Land given to Bnei Yisral = Muslims. Became Jews and departed from faith, 10 of 12 spies didn't believe. Jews perverted the Bible text and ideas. Avraham

had many sons who were Muslims.
Jews went off the path, and
Muslims remained. Jews never
accepted Muhammed's
correction, so we are cursed.
Diaspora, scattered.

Oct 7 all Jews treated as renegades. Secular Jews think Muslims would be OK with them. Muslims say, “We don’t have a problem with the Jews, but with the Zionists.” Zionists are Jews who seek sovereignty in Israel.

Jews who live under Muslim reign
are OK as dhimmis, special tax.
Can't ride on a horse. Walk in the
sewers. Sovereignty is threat to
Islam.

MB: Judaism's three pillars: Torah,
Land, People

Rise of political Zionism was a threat. 250 murdered in Hebron massacre 1929. [in YK Kaddish]

Oslo Accord 1993 implement left wing concept “secular” PLO and Israeli Labor Party Yiskhak Rabin. Charters of PLO and Hamas. Hadith: Jews hide behind tree...

All stemming from Islam. Even secular Muslims view Jews NOT in Allah's covenant. Jews are colonial interlopers sent by Europeans.

Whole idea of partner is antithetical to culture.

Caroline Glick: So, how do we explain Abrahamic Accords. MBS Muhammed bin Salman, expanding the rights of women.

MB: People don't support agreements. Govt just in treaties. Military expedience against Iran.

One correspondent: Happy Nasrallah killed, but I'm not a Zionist.

Needed: Change the education.

CG: Channel 11 Israeli poll: 18% still atheist 27% say faith strengthened.

CG: Muslim world view expunges me, negates Jews from existence.

MB: We need to prove it to them. We are Bnei Yisrael. Not give Judea Samaria; concedes they are right.

Three things: strength, respect, G-d. Cf weak and no self respect.

Oslo Sept 1993. First suicide bombing March 1994. Oslo accord made Jihad inevitable.

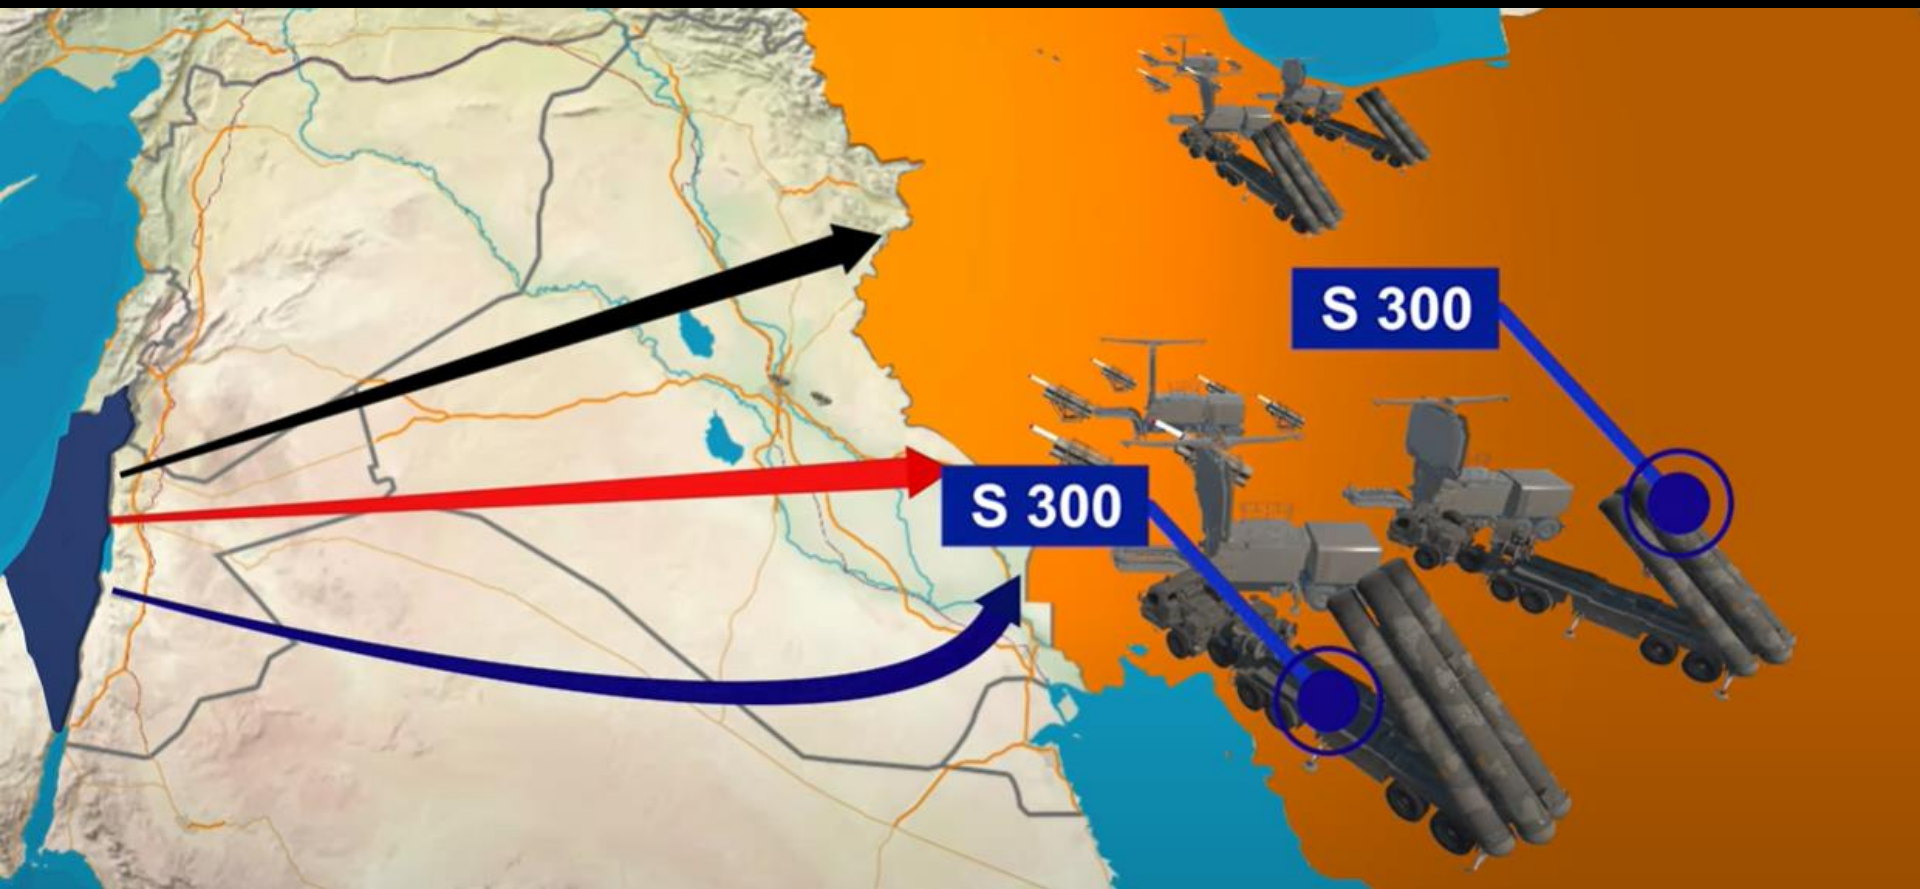

“Why should we believe this land belongs to you if half of you, Neturei Carta [Ultra Orthodox anti Zionist] and seculars don’t believe.

MB: What if we build Temple. We share lamb, prayer.

Muslim Facebooker: We will fight you, but if it happens, must be Insha Allah.

Non religious DON'T prevent war, they incite it.

An Israeli source told the Wall Street Journal that Iran had four S-300 air defense batteries, considered the most advanced systems in Iran's air defense network. During Israel's strike on Iran over the weekend, all these systems were destroyed.

“Israel is sending us a very clear message,” Hamid Hosseini, an expert in Iran’s gas and oil industry, told The New York Times. “This could have very serious economic implications for Iran, and now we understand the risk and that we need to act wisely and not continue with the tension.”

Ali Vaez, an Iran researcher, told the Times that the attack could set up a much heavier attack on Iran's nuclear and energy facilities.

“Iran does not have the capability to replace the damaged facilities in the near future,” he said.

The attack, which Israel named “Operation Days of Repentance,” saw tens of IAF jets, accompanied by refuelers, travel some 1,600 kilometers from Israeli territory. The IAF achieved near uncontested aerial supremacy in Iranian skies.

Hezbollah loses popular Lebanese and Shia support. Is this the beginning of the end for Hezbollah?

Identification of a Hezbollah terrorist cell in the area of Houla

From the Christians to the Druze, and from the Sunnis to the dominant Shiites, there is a massive revulsion being expressed against the Iranian proxy terrorist group Hezbollah that had bullied its way toward becoming a mafia-like state within a state.

For the first time in over four decades, the Lebanese terrorist group, Hezbollah, appears frail. Following the elimination of the group's leader Hassan Nasrallah by an Israeli airstrike on Beirut on Sep 27, the halo around its invulnerable strength against Israel and other regional rivals faded rapidly.

the open criticism of Hezbollah's reign of terror by leading Lebanese from all religious backgrounds signals the possibility that Iran's chokehold over Lebanon may finally be coming to an end.
