Freedom

Eduard Shyfrin, PhD, Vice President of the World Jewish Congress Alexander is the only name of non-Jewish origin which has been accepted by the Jews. Alexander defeated the Persians (modern Iran) and conquered Judea. He treated Judaism and Jewish sages with great respect. In his honor the High Priest Shimon HaTzaddik decreed that **all male priests born that year had to bear the name Alexander**. And as Alexander saved the Jews, President Trump is a Savior of Israel.

Therefore, from now on the name Donald must be accepted as a Jewish name.

President Donald Trump posthumously awarded the Presidential Medal of Freedom to Charlie Kirk in the Rose Garden of the White House, Tuesday, Oct. 14, 2025.

Freedom cry of William Wallace

[<https://youtu.be/kNsK5BKVbw0>]

Charlie Kirk said of himself that he's a Scot, and fighting is in his blood.

[<https://youtu.be/giLrq1ufU4M>]

Yn 8.31-36 Then Yeshua said to the Judeans who had trusted Him, “If you abide in My word, then you are truly My disciples. You will know the truth, and the truth will set you free!” They answered Him, “We are Abraham’s children and have never been slaves to anyone!”

[Focus on that: truth → freedom]

Living in truth: cosmically, relationally, politically, every dimension. Pilate asked, “What is truth?”]

Yn 8.31-36 How can you say, ‘You will become free?’ Yeshua answered them, “Amen, amen I tell you, everyone who sins is a slave to sin. Now the slave does not remain in the household forever; the son abides forever. So if the Son sets you free, you will be free indeed!”

[Radical statement: internal bondage]

Sin is slavery

- *Language: profanity, even sissy swearing: Gosh*
- *Anger and rage, unresolved hurts.*
- *Lust → pornography*
- *Materialism: “must have” either jealousy and depression, or arrogance and pride the only remedy is GRATEFULNESS*
- *Belittling people as self-defense, maybe imaginary]*

T'hilim/Ps 102.20-23 Since you are my rock and fortress, lead me and guide me for your name’s sake. Free me from the net they have hidden to catch me, because you are my strength.

[External bondages]

T'hilim/Ps 129.1-5 **Since I was young they have often attacked me — let Isra'el repeat it — since I was young they have often attacked me, but they haven't overcome me. The plowmen plowed on my back; wounding me with long furrows. But ADONI is righteous; he cuts me free from the yoke of the wicked. Let all who hate Tziyon be thrown back in confusion.**
[External bondages]

T'hilim/Ps 146.7-9 **He secures justice for the oppressed, he gives food to the hungry. ADONI sets prisoners free, ADONI opens the eyes of the blind, ADONI lifts up those who are bent over. ADONI loves the righteous. ADONI watches over strangers, he sustains the fatherless and widows; but the way of the wicked he twists.**

Eph 1.7-8 **In union with him, through the shedding of his blood, we are set free — our sins are forgiven; this accords with the wealth of the grace he has lavished on us. In all his wisdom and insight.**
[Internal bondage: guilt, regret.]

Mes Jews/Heb 2.14-15 **By his death he might render ineffective the one who had power over death (that is, the Adversary) and thus set free those who had been in bondage all their lives because of their fear of death.**
[I know a friend whose wife may or may not be close to death. But he said there is no loss for the patient.]

Mes Jews/Heb 13.5-6 **Keep your lives free from the love of money; and be satisfied with what you have; for God himself has said, "I will never fail you or abandon you." Therefore, we say with confidence, "ADONI is my helper; I will not be afraid — what can a human being do to me?"**
[Gratefulness is the only way to freedom over depressed jealousy AND arrogant pride Rachel Cruze, daughter of Dave Ramsey said that.]

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness
[DNA of our national identity]

-That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it.

The History of the present King of Great-Britain is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

What were the grievances of the Americans? There are 26 enumerated grievances!

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown... And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

[William Wallace' cry also against a tyrannical British crown

- Advocates for freedom of speech, religion, and assembly.
- Supports the right to pursue happiness and personal fulfillment.
- Encourages civic participation and democratic governance.

One dimension revolves around an individual's right to chart their path without excessive government oversight. Many define personal liberty as the power to choose healthcare options, raise children based on personal values, and conduct daily affairs without undue intervention.

[<https://freedomforallamericans.org/freedom-mean-in-america-today/>]

Engagement in elections, freedom of speech, and the right to assemble have always held a prominent place in American civic life. A 2024 Pew Research Center report stated that nearly three-quarters of U.S. adults regard press freedom as extremely important. 41% expressed concern about possible restrictions placed on media outlets. The significance of open discourse and journalistic independence remains clear, but many worry about manipulation or censorship behind the scenes.

The US is now enslaved to a culture of sin:

- Online internet sexting and seduction
- No Kings mentality: Sat., Oct 18th 10:00am 7500 Metcalf Av, Overland Park
- LGBTQ normalization, not just compassion, but locker room
- Anti-Semitism and Jew hatred. One of my former students is on Facebook virulently anti-Israel.
- Abortion
-

Charlie Kirk was successfully working for FREEDOM from all the above.

[Republican officials in New York unanimously voted to suspend the state's Young Republicans after racist and antisemitic messages sent by chapter leaders surfaced Tuesday. The leaked chat also included Kansas, Arizona, and Vermont chapter leaders. The Kansas Young Republicans dissolved earlier this week]

Only the Israeli drones stopped the Syrian tanks. Druze had no weapons to stop a tank.

Hossam Saraya, a Syrian-American Druze from Oklahoma, was shown in another video, kneeling with his brother, father, and at least three other relatives, before a group of men in military garb sprayed them with automatic fire and celebrated.

Israeli sends one helicopter every two days.

have, like I told you, the Kurds. The Kurds, they are very close, and they have the possibility. to send goods to directly. to Sueda, and the third way, it's by the Red Cross. Reddy Cross, every month. They're taking usually 30 trucks. with the goods that they need. If they need some petrol, they see water, everything that they need. to also food. And medicine, we're trying to do our best. It's not easy, it's a very hard situation.

Jordan does not help them
80 km to Israel

I want to encourage anyone listening, if you are an American citizen. to make a phone call to your elected representatives, if they are in Congress, or if they're in the Senate. And tell them that you do not want the United States to lift the sanctions on Syria. Uh, the reason why is because we have to protect the religious minorities in Syria. That's the Alawites, the Kurds, the Druze, and the Christians. Uh, it may be forgotten for many American. Evange

The first Defense Minister was Ruz. They draws support the Hashimi families. the family of the king. But, you know, when we are speaking. Between... the case between the Druze and Islam. Nobody from the Islam can be democratic, nobody can be humanity, nobody will speak very open to the Arab world. For that, it's very hard

 MESSIANIC SYNAGOGUE

FREEDOM

1. Scriptural meaning
2. US History of Freedom
3. Application to us: Knowing truth
 - About Life and Abortion
 - Siege of Druze Sweida
 - **Continuance of Hamas**
4. Freedom and Hope in Messiah

As difficult as it is to acknowledge, what remains of Hamas has yet to accept its defeat. For now, it still controls the weapons necessary to regain power in Gaza.

More importantly, it continues to cling to the belief that its sole mission is to destroy the State of Israel.

[https://middle-east-forum.read.axioshq.com/p/mef-dispatch/f6a3501d-cd28-47c1-a990-2c976dd17703?utm_source=email&utm_medium=email&utm_location=email_view_in_browser]

The October 13, 2025, announcement that Hamas has received American approval to conduct security operations in Gaza represents a **catastrophic strategic error** that undermines the long-term objective of excising the terrorist organization from Gaza's governance. President Trump's statement that "we gave them approval for a period of time"

to address lawlessness fundamentally contradicts his own 20-point peace plan's core principle: Hamas must have no role—direct, indirect, or in any form—in Gaza's future governance.

While the remaining 19 points of the framework continue to be negotiated and implemented, this premature legitimization of Hamas's security role virtually guarantees its complete reconstitution.

[Hamas militants execute Palestinian opponents to their rule in Gaza (Photo: Screenshot/Social media)]

The strategic imperative remains unchanged: empowering Gaza's clan structures, which represent 72 percent of Gaza's 2.3 million residents through 608 registered mukhtars and six major Bedouin confederations, to fill the governance vacuum as Hamas is systematically removed.

The sister of murdered hostage Shiri Bibas offered scathing criticism of the recently implemented ceasefire and hostage deal with Hamas, writing that while she was happy to see the living hostages reunited with their families, Israel had not achieved a decisive victory over Hamas and the Jewish state remains in grave danger.

"We did not achieve peace at the end of this war — we achieved defeat," said Dana Silverman-Setton, whose parents, sister and nephews were murdered by terrorists.

The October 2023 Hamas attack on Israel exposed a fundamental truth about Gaza's social architecture: Hamas's control masked but never eliminated deeper tribal loyalties. When Israeli forces offered partnership opportunities to 12 major clans in early 2024, 11 rejected collaboration not from ideological commitment to Hamas, but from calculated self-preservation against an uncertain future. This demonstrates both the clans' strategic autonomy and their potential as rational actors capable of pragmatic decision-making based on shifting incentives.

The clans' **control** of Gaza's economic activity through established commercial networks, agricultural holdings, and trade relationships positions them as indispensable stakeholders in reconstruction. The **Tarabin confederation's members** across Gaza, Egypt, and Jordan provide cross-border commercial networks essential for economic recovery.

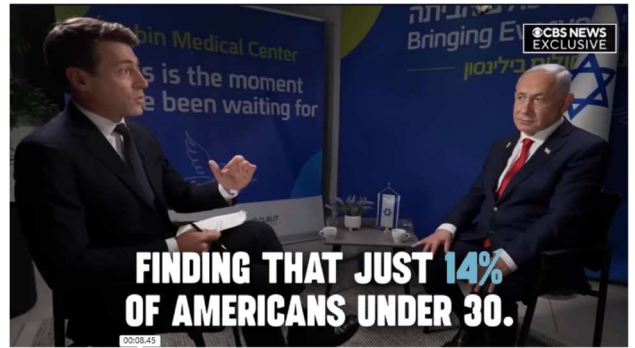

The Tayaha confederation's clans controlling eastern territories offer agricultural expertise crucial for food security. The Barbakh clan's members engaged in commerce represent an entrepreneurial capacity that no technocratic committee could replicate.

Elkana Bohbot, 36, one of the organizers of the Supernova music festival, now reunited with his wife, Rivka, and five-year-old son Re'em, was chained in a deep tunnel for nearly two years, losing all sense of time and space.

Over the two years in captivity, he was able to see images of his family at rallies, appealing for his release, his wife recounted. In the days before his release, his Hamas captors overfed Bohbot, despite clear Israeli warnings that this could prove fatal after prolonged starvation. “Yesterday was more emotional than our wedding day or even Re'em’s birth,” Rivka Bohbot said on Tuesday. “I saw them reborn. Elkana couldn’t stop hugging Re'em.”
