The Mossad established a secret drone base within Iranian territory. When the Israeli offensive began, the drones were launched to destroy surface-to-surface missile launchers (SSM) located at a base near Tehran, which was planned to be used to destroy strategic and civilian targets in Israel as part of the Iranian retaliation.

In another operation, Mossad commando teams deployed operational systems of precisionguided munitions in open areas in central Iran, which had been smuggled into the country beforehand. The weapons were deployed near Iranian surface-to-air missile (SAM) systems, which could potentially threaten Israeli aircraft.

Lastly, in another operation aiming to guarantee Israel's freedom of action in Iranian skies, the Mossad deployed "sophisticated attack systems" and "vehicle-born technologies" which were used to destroy Iranian air defense systems.

Mr Netanyahu said "Operation Rising Lion" had been successfully carried out to " משרד ראש ז roll back E OF ISRAEL VISTER'S OFFICE the Iranian threat to Israel's very survival".

Eph 5.21-26 Submit to one another in fear of the Messiah...Just as the Messianic Community submits to the Messiah...As for husbands, love your wives, just as the Messiah loved the Messianic Community, indeed, gave himself up on its behalf, in order to set it apart for God, making it clean.

1 Cor. 12.12-14 For just as the body is one but has many parts; and all the parts of the body, though many, constitute one body; so it is with the Messiah. For it was by one Spirit that we were all immersed into one body, whether Jews or Gentiles, slaves or free;

1 Cor. 12.12-14 and we were all given the one Spirit to drink. For indeed the body is not one part but many.

Dad jokes are called dad jokes because they are stereotypically thought to be jokes a father or someone like a father would tell to a child

dad joke: a wholesome joke of the type said to be told by fathers with a punchline that is often an obvious or predictable pun or play on words and usually judged to be endearingly corny or unfunny

What kind of shoes to frogs wear? Open-toad sandals.

I just built an ATM that only gives out coins. I don't know why no one's thought of it before: it just makes cents!

What happened when two slices of bread went on a date? It was loaf at first sight.

What's a shark's favorite saying? "Man overboard!"

Dads Are Meant to be the Fun Parent - It Is How They Bond How do dads bond with their children?

Dads prefer to bond with their children through play. And not just any type of play.

Children get the most stimulation in the reward centers of their brains when they engage in "rough and tumble play." This means play that increases in intensity, involves contact, and focuses on the environment and not just on each other.
